Canadian Printing Industries Sector Council

The Canadian Printing Industries Association (CPIA) and The Canadian Printing Industries Sector Council (CPISC) are very pleased to introduce to our members with an **“enhanced benefit long distance savings program”**. C.P.I.A's National office has been benefiting from SelectCom local business line, long distance & toll-free services since December 2001. The C.P.I.S.C.'s office has been utilizing SelectCom's service since Spring 2006. Significant savings & professional support has been recognized during this time. SelectCom is receiving so much success on the programs that the special long distance rate is now being extended to all of the **member's respective employees, their families and friends** across Canada.
